

## WonderWall : Wadi Donc Access

*Just follow Paul...*

Access to Wadi Donc is the same as WonderWall. The Wadi is situated at the southern end of the North-South ridge, east of the main wall. Proceed on the usual track (without turning right for parkings), about 2km from Aladin's Lamp. 200m before the Wadi you need to cross a deep river bed, you might want to park there (by the tree) and finish on foot.
