

New routes in NPZ

The new routes are the blue ones, the routes in red are in the UAE Rock Climbing guidebook and have been drawn here to help situating the new ones. There are more routes on the cliff.
Three of these new routes (1,4 & 9) have only seen one or two ascents so these grades needs to be confirmed.
Two of them (4 & 9) still need some cleaning.
Two (!) bolts have been added to the top of **E.S.M.** for the faint-hearted.
